

REMARKS

By the foregoing Amendment, a substitute specification is provided in which the hand lettering has been replaced by amendments in conformity with 37 CFR §§ 1.52, 1.121(b)(3), and 1.125. *The substitute specification includes no new matter.* The drawings have also been amended to comply with all requirements of 37 CFR § 1.84.

Conclusion

All requirements of the NOTICE TO FILE CORRECTED APPLICATION PAPERS have been complied with. Thus, it now appears that the application is in condition for examination. Should any questions arise, the Examiner is invited to call the undersigned representative so that this case may receive an early Notice of Allowance.

Respectfully submitted,
